

# MISSION MATTERS:

## February 2024

Here's the scoop about our newest ministry:

### ***Faith & Hope Foundation***

***Faith and Hope Foundation*** rescues homeless dogs from the streets as well as dogs who are scheduled to be euthanized.

All dogs go into temporary foster homes where they receive whatever health care, socializing, etc. they need to get them ready to go to their permanent homes. ***Faith and Hope*** is a non-profit organization.

This animal rescue group is in need of the following:

***Purina Plus*** puppy food

***Purina Plus*** dog food

*(please note that it is important to donate only Purina Plus dog food. That is what the dogs are being fed and changing their diet can cause digestive problems).*

Puppy pee pads

Dog toys

New or like new collars, leashes and harnesses

***Foster families are always needed.*** The organization will cover all expenses for fostering!
