

# MISSION MATTERS:

## May 2024

Here's the latest about one of our ministries:

### H.E.L.P. IS ON THE WAY!!!

The Island Presbyterian Mission Team is excited to announce that we have begun a new program to benefit our members and the island community.

The Health Equipment Loan Program, (H.E.L.P.) is gearing up to provide emergency medical equipment such as wheelchairs, walkers, and canes to members of our community at no charge. We plan to be up and running by May 5<sup>th</sup> and will publish the phone number in the church bulletin and on our webpage.

Here's how it works: if you or a neighbor need a piece of equipment on a temporary basis, simply call our dedicated number, between the hours of 10 a.m. and 6 p.m. and make arrangements to borrow the needed item. You will sign it out and sign it back in when it is returned. There is no fee.

If you have a piece of equipment in excellent condition that you would like to donate, we will gladly accept it.

For further information, please see Erik Larsen, "the H.E.L.P. guy".

Peace,  
*The IPC Mission Committee*
